

TOGETHER IN PRAYER

November 2024

Dear friend,

In this month of Thanksgiving, we have much to thank God for together. Philippians 1 says, “I thank my God in all my remembrance of you.” God has answered our prayers for a new Executive Director for GRN USA. Bryan Wilson is learning all about us – pray especially for spiritual covering for him and his family. And thank you again for being part our ministry, as we join

Together In Prayer,

The GRN USA Team

1. **USA Executive Director:** We are all rejoicing at the presence of Bryan Wilson in the Catalina office. Pray for him as he absorbs tons of information, history, and policy, especially as he begins assuming responsibility for all areas of the ministry.
2. **Transitions:** Pray for relations among staff, volunteers, and leadership during these days of transition, and for enhanced relationships between USA and other GR centers around the world.
3. **Praying Scripture:** *I have learned to be content in whatever circumstances I am... I can do all things through Him who strengthens me.* (Phil. 4:11, 13)
4. **Diane G:** She works both In the USA office and for International in distance learning. On Oct. 13 she slipped in her home and broke both lower left leg bones plus one right wrist bone. Please pray for continued healing of her skin, and for the bones to be operated on at the end of October.
5. **Ericksons return to Thailand:** Kerry and Nhuvan have been in the USA for about 5 months, traveling around to supporters, churches, family, and friends. Their time here is being cut short because of destructive flooding in their Thai home. Pray for their travel home this week.
6. **European recordings:** Pray for Ed and Judy who have been touring England for a month, as they turn their attention to certain languages in UK and Europe. Pray for contacts, safety in travel, and recorded messages that will stir souls and magnify the Lord’s name.
7. **Nov. Board Meeting:** This meeting was moved up two weeks. Pray for directors who drive from California (+8 hours each way) for a day or two’s stay. Pray for unity and much wisdom on decisions.
8. **Possible new base:** GRN currently has no bases in Eastern Europe. This summer Sam met Jerry and Ania, from Poland, who are seeking God’s will for their future and wondering if GRN might be part of it. Pray for clarity and wise decisions.
9. **India Collaboration:** GRN sincerely hopes to build a collaboration with native Indian Christians, also equipping them to create their own audio Bible engagement resources. Please pray for God's grace through all of us who work together for unreached language groups in India!
10. **Praying Scripture:** *Do all things without grumbling or disputing, so that you will prove yourselves to be blameless and innocent, children of God above reproach...* (Phil. 2:14-15).
11. **Flooding in other GRN countries:** Other staff have been affected by flooding in their countries recently. Pray for our workers in Nepal, South Africa, and Philippines as well as Thailand.
12. **Mexico outreach report:** *Buenas Nuevas* staff are praising God for the good outreach in Baja in October. Many responded to the evening meetings. Good contacts were made for future ministry.
13. **Mexico travel provision:** Mike H gives thanks for his new ministry van (which has already done 11,000 miles in less than 6 months) and trailer for toting equipment. Continue to pray for safe travel.
14. **Mexico outreach trips:** Pray for Mexican outreach workers as they move among people down in Oaxaca city during the “Fiesta con Jesus” from Oct. 27- Nov. 20. Mike H will fly down to join them for most of the month. Some “Sharing Life” team members may participate as well.

15. **ILT Report:** Tim S praises God for the great Leadership Team he works with and for unified and productive meetings in South Africa in October. Pray for wise decisions.
16. **New GR-UK Director:** Kenny and Joan M are preparing to pass on the responsibility of GRN-UK leadership to Sanjay at the end of this year. Pray the Lord will strengthen and encourage them as they look back on their many years of service and forward to spending more time with their family and friends. Pray especially for Sanjay.
17. **Praying Scripture:** *That I may know Him and the power of His resurrection and the fellowship of His sufferings, being conformed to His death.* (Phil. 3:10)
18. **Fwe People of Zambia:** Speakers of the Fwe language in Mongu, West Zambia, have run out of evangelism tools (picture books and audio-Bibles). They have asked for at least 20 kits to be sent but cannot afford to pay the \$1,200 cost. Please pray for God's provision for this need.
19. **US Accounting Dept:** Praise God for two helpers. More long term, faithful, and qualified team members are needed, including a CPA-level financial advisor.
20. **Indonesia:** Praise the Lord that Christine and Wira from Australia have visited the recording team in Indonesia, to encourage them and put the work there on a firmer footing. Pray for the five languages the team plan to record and for the planned distribution in three more languages.
21. **Artificial Intelligence (AI):** The Information Systems team uses AI to help with software development. Various members in GRN are looking cautiously at the potential uses of AI in other parts of the ministry. Pray we may be wise in the way we use this sort of technology.
22. **Pray for Myanmar:** Myanmar continues to endure a terrible civil war. Pray for God's people there to bear faithful witness during difficult times. Pray for a peaceful resolution to the trouble. Pray for GRN recordings to be discovered by many, to bring salvation and comfort.
23. **UK Distribution:** Recently we sent Kilumi players to Kosovo loaded with recordings we had made over many years. Pray, as sometimes the customs officers want to add high charges. Pray for their use and for God's name to be glorified because of this.
24. **Praying Scripture:** *What then? Only that in every way, Christ is proclaimed, and in this I rejoice. Yes, and I will rejoice!* (Phil. 1:18)
25. **Bangladesh:** Pray for Milton and Moloy in Bangladesh as they edit recent recordings. They also are visiting some Christian conventions to distribute materials and make people aware of 5fish.
26. **Malayalam Recordings:** Praise God for progress on our Malayalam recordings. A final script translation review is necessary before Brad, Noel, and volunteer Vinod can organize further recordings. Pray for God's wisdom, guidance, and provision for all involved.
27. **Family matters:** Pray for Dan T's family as they spend a little more time in California, and decide when to return to Thailand, their country of secondment. Pray for Kerry E's family as they return there and seek a new house.
28. **Thanksgiving Day:** How faithful is the God we serve! "How blessed are the people who know the joyful trumpet sound! O Lord, they walk in the light of Your face. In Your name they rejoice all the day." (Ps. 89:15-16a)
29. **Continued Thanksgiving:** The world may call this "Black Friday," but to us, "This is the day the Lord has made – we will rejoice and give thanks in it." Praise Him for His goodness and His faithfulness.
30. **Supporter appreciation:** We never want "support" to be just about money – see our list below, "Plugg In." We are very thankful for each and every supporter and "come-alongsider" – those who pray, those who volunteer, those who use our tools, those who give, and those who go.
