

TOGETHER IN PRAYER

March 2025

Dear friend,

Until the Lord returns, we are keeping our eyes on the goal that HE has given us – to tell the story of Jesus in every language. Our partnerships with churches and other ministries expand the reach of the Gospel recordings. There is still much to do and we desire to remain faithful and continue... **Together In Prayer,**

The GRN USA Team

1 Language Group: The **Malayalam** recording project will now continue as the local team hire studio space in Kerala, India, with advice and support from GRN Australia. They aim to record the *Look, Listen & Live* series in Malayalam and a minority language. Pray these Christians in Kerala may faithfully pursue this goal.

- 2 Praying Scripture:** *You are worthy, O Lord our God, to receive glory and honor and power. For You created all things, and they exist because You created what You pleased.* Rev. 4:11 NLT
- 3 GRN Myanmar:** Pray for David* and Stephen* and their families in Myanmar who are under great stress due to ongoing problems in their nation. Ask our Lord to encourage and bless them and their work. Pray for God's Word and GRN recordings to be used to bring many to faith. (**names changed*)
- 4 USA Workers:** The team is very thankful for God's call on the lives of new workers. Danny M visited the Arizona office and believes God is calling him to the work full-time. Aidan has signed up half-time to help with social media.
- 5 Evangelism:** Our Pakistani team writes: "For the next six months, we are focusing on the **Punjabi** language group. This will involve language and cultural studies, along with ministry activities to deepen our connection with the community. Please pray for wisdom and success in this outreach."
- 6 Distribution:** Pray for our GRN center in Belgium which is providing humanitarian and spiritual aid to partners in Ukraine. Pray that hundreds of Tumi *Tigers* sent to Ukraine will encourage traumatized children as the 'toys' tell them of Christ's love.
- 7 USA Teamwork:** The GRN USA members will be taking two days next week for a team-building workshop. Join with them in praying for God's direction and for His graceful strengthening and encouraging of each one.
- 8 African Language:** Give thanks for Yousif and Vivian. Yousif is editing recordings in the **Shilluk** language and trauma material called "4 Friends" in Arabic. Yousif has spent time in Ugandan refugee camps where many have fled from Sudan, a nation sadly destroyed by fighting.

- 9 Praying Scripture:** *You are worthy to take the scroll and break its seals and open it. For You were slaughtered and Your blood has ransomed people for God from every tribe and language and people and nation.* Rev. 5:9 NLT
- 10 GRN Philippines:** Pray for MaryAnn as she settles into her role as the Philippines center's leader, for Jurine as he retires, and for Hannah as she works under the new leadership. Pray for new staff to join the team and for Aussie David S as he edits the recent **Cebuano** recordings.
- 11 USA Goal for 2025:** We seek to grow and strengthen existing strategic partnerships with like-minded organizations, such as SIL, Bible societies, YWAM, and refugee organizations.
- 12 Evangelism:** The Dutch center has just produced recordings in sign language and are thanking the Lord for donations that made this possible. Pray these DVDs will be widely used to tell the **Dutch** deaf community of their Savior.
- 13 Distribution:** Pray for the work of John and the Togo team as they distribute recordings in the north of their country where the majority are Muslim. Pray for spiritual strength and wisdom as they battle against witchcraft and spiritual and physical enslavement among people there.
- 14 USA Request:** Please continue to pray for the Accounting team. The changeovers to new software and a different accounting firm have been difficult, but our team is holding steadfast and seeing answers to prayer.
- 15 Nigeria Language:** News from recordings made in the **Eten** language last December: "Over 170 people received the recordings, while numerous people listened.... The locals were glad and appreciated the effort made to have the audio Word of God clear and fluent in their heart language.... Within a few days of the distribution exercise six people prayed to receive Christ."

- 16 **Praying Scripture:** *Blessing and honor and glory and power belong to the One sitting on the throne and to the Lamb forever and ever.*
Rev. 5:13b NLT
- 17 **GRN LEADERSHIP:** Various GRN centers and bases are looking for new leadership, either immediately or in the very near future. Please pray for South Korea, Canada, Germany, and Switzerland as they search for the right person for their respective roles.
- 18 **USA outreaches:** Pray for Mike H and those he takes with him on distribution trips, usually into Mexico. Pray for safety in their many miles of travel, and for God's direction as they seek to share God's words through our messages on these trips.
- 19 **Evangelism:** The Buenas Nuevas team in Mexico also reaches out to people from remote villages while they are in migrant agriculture camps. Pray that those who have returned to their villages will listen to the recordings they have received in their own dialects and will turn to their loving Savior.
- 20 **Distribution:** We thank God for the Kulumi MP3 players and talking toy lambs in some **Berber** dialects delivered to the remote mountain communities of Morocco. Pray that all the people in Morocco will hear the Gospel and receive Christ as their Savior.
- 21 **USA Director:** Pray for Bryan W who is traveling to Nigeria soon along with International Director Tim S. May the Lord use them to encourage the team there.
- 22 **Asian Recordist:** GRN USA had the privilege of providing a recording kit to a new recordist in Southern Asia. Pray for A as he learns more about his craft at the Thailand recording team training and starts making more recordings of his country's many languages.
- 23 **Praying Scripture:** *Great and marvelous are Your works, O Lord God, the Almighty. Just and true are Your ways, O King of the nations. Who will not fear You, Lord, and glorify Your name? For You alone are holy. All nations will come and worship before You, for Your righteous deeds have been revealed.* Rev. 15:3-4 NLT
- 24 **GRN Nigeria:** There is a big celebration for the retirement of Director Kish this week. Praise God for his many years of service, and pray for Joshua B who will take up the Director's post.
- 25 **USA 2025 Goal:** We seek to strengthen and grow relationships with other GRN centers. From these is where most new materials are being recorded. We are praying for increased funding for these projects.
- 26 **EVANGELISM:** We are grateful to God for the successful recording of the Gospel in the **Chamari** language. There are still no Bibles or resources other than ours in the Chamari language for these people of India.
- 27 **GRN:** In Spain, the team is aiming to set up a well-functioning Board this year to guide and support the work there. Pray that the Lord will call godly and wise people to this task.
- 28 **5fish:** This app has recently been updated and improved. There are resources for over 6600 language varieties for 228 countries available for listening or downloading. Pray for this method of sharing to explode in use across the world.
- 29 **GRN Nepal:** Pray for the team in Nepal. They have already recorded 95 languages and dialects in their country but are now hoping to provide additional material for teaching new Christians. Pray that their visits to villages will be a blessing to the people they meet and to the team members, and that newly-established churches will flourish.
- 30 **Praying Scripture:** *He who is the faithful witness to all these things says, "Yes, I am coming soon!" Amen! Come, Lord Jesus!*
Rev. 22:20 NLT
- 31 **GRN MapApp:** This amazing resource is freely available to anyone. MapApp shows locations for 14,000 clusters of language varieties worldwide. Users can discover those with Christian media available, as well as those that have nothing. Also, one can find at a glance thousands of UN refugee camps housing people from countries we often can't visit. Pray for effective use of this tool.
